If the earth is the LORD's and the people are His,

**A**

then where is His honour and where is His fear?

The heavens declare the glory of God

Expanses proclaim his wonders and signs

No stars in our skies in this city of lights...

then whose is the glory in this city we'll find?

**Built on the glory that God has revealed to us**

This tent is the LORD's and a place for His dwelling,

a building of stones that are precious and holy

Have we built on His plan? Through a storm will we stand?

Is this a tent that is pitched for His glory?

By faith we are looking to the land of the promise,

to beautiful Zion, this city will pass us

No peace in this place, in this land that lacks faith

So we will wait for a city that lasts us
