and grow in the Saviour's love

Verse 3 I see you all around me
Building a house within me to Your glory, Father
I hear you all around me
Singing a song over me Your love story

Bridge I watched the sun climb o'er the mountains and paint the sky
and warm the Earth and awaken the dawn with rays of light!
(repeat)

Chorus We seek the rising sun, as we seek the Risen, One!
We strengthen our hands in God, and grow in the Saviour's, love
We are the children of God;
we're seeking our Father's heart!

CHILDREN OF THE PROMISE

© Phil Rosser / James DiLiberto

Verse 1 As unworthy children, we come before You now
seeking Your forgiveness, as we've thought in this last hour
of how we've fallen short, strayed from the narrow way.
O God of David's mercies, now to You we humbly pray.

Verse 2 O children of the light, why do we strive and fight,
Servants of our gracious Lord? Would He heal or use the sword?
Would He use those hurtful words that bring another down?
When reviled and made a fool, would He open not His mouth?

Chorus We are children of the promise from a God who doesn't lie
He'll make His seed like to the sand; stars that shine bright in the sky.
Children born of flesh and blood; we're children born of truth and love
The promise made unto that Seed, was the promise that we'll soon be freed.

Verse 3 For we are not of darkness; we're children of the light.
We follow Jesus Christ Your Son; try to always do what's right.
To the God of David's mercies; to the only God who saves,
We your precious children bow to You in praise

Chorus We are children of the promise from a God who doesn't lie
He'll make His seed like to the sand; stars that shine bright in the sky.
Children born of flesh and blood; we're children born of truth and love
The promise made unto that Seed, was the promise that we'll soon be...

Bridge ...freed from sin. Freed from lies.
Freed from lust and selfish pride.
We'll be freed from hurt, freed from pain,
To bring an end, to sin's dark reign.

Chorus We are children of the promise from a God who doesn't lie
He'll make His seed like to the sand; stars that shine bright in the sky.
Children born of flesh and blood; we're children born of truth and love
The promise made unto that Seed, was the promise that we'll soon be freed
(repeat chorus)
We'll soon be freed!

HERE AT LAST

© Phil Rosser

Verse 1 I turned, and saw the earth, the wilderness lay waste and bare.
The world had lost its way, tears from oppressed received no care
The grieving Rachel cries, the Father's will is placed aside.
The hungry children's eyes have seen no joy under heaven's skies

Pre chorus Saviour, Your dawn will come!
The sun of righteousness, healing in Your wings, O You'll come!
Saviour, with clouds You'll come!
The living waters, show'ring down in blessings, You'll come!

Chorus We will all be changed,
in a moment grasped in time, in the twinkling of an eye.
The dead shall all arise,
at the trumpet's final call. Then God is all in all.

Verse 2 We turned, and saw the earth, the wilderness blossom and bloom.
The sword became a plough. We worshiped in spirit and truth.

Pre chorus Saviour, Your dawn has come!
The sun of righteousness, Healing in Your wings, O You've come!
Saviour, with clouds You've come!
The living waters, show'ring down in blessings, You've come!

Chorus We have all been changed,
in a moment grasped in time, in the twinkling of an eye.
The dead have come to life
at the trumpet's final call. Now God is all in all.

	Your Truth has set us free.	Here at last O Lord!

Chorus Here at last O we have come,
from ev'ry nation, ev'ry tongue,
Here at last O Lord! (*repeat*)
Here at last O we have come,
The fight's been fought, the race been run.

SAVED BY YOUR LIFE

© James DiLiberto

Verse 1 You look at me with the eyes of a loving Shepherd who
laid down His life for the sheep, unworthy though we be.
I can't contain these teary eyes when I think of how You died for me.
I'll never never ever deserve You.
All You endured
with the sin You bore,
surrendered all Your will unto God. Thank You Jesus.

Verse 2 *You obeyed* God in all You thought, in all the words You said.
You obeyed God in all You did, with every breath of life.
You obeyed God in everything. *Because of Your love for Him...*
You endured. All my sin You bore.
Your compassion I adore.
Thank You Jesus.
For the love set before me,
thank You Jesus!

Verse 3 You changed my life when You chose me, Lord,
to be Your friend and may I
never boast in anything but the precious blood of the Lamb
the blood of the everlasting promise.

Outro In Your blood we are sealed.
By Your stripes we are healed.
Reconciled in Your death.
We are saved by Your life.
(repeat 3x)

A GLORIOUS LIGHT

© Jessica Gelineau / Nick Elliot / James DiLiberto

Verse 1 The rising moon and setting sun
 shed a light upon the race we run.
 The rising sun and setting moon
 show that Christ, our Lord is coming soon.

So bow your heads to God in praise,
for He will give you endless days.
Live as His Son did, free from sin
and the holy race we all will win.

Verse 2 Looking back to the dawn of night,
 men have placed their trust in earthly might.
 But no more can man turn away,
 soon will Christ our Master come to stay.

Let all hear the call of the Lord!
Throughout all the nations it has soared.
Let it be a glorious light,
to forever dispel the night.

Verse 3 I look unto Thine Israel,
 when no more in captive lands they'll dwell.
 I ask no treasure of my own,
 but the glorious hope which You have shown.

Our faith is built on this firm Rock,
when no more on darkened paths we'll walk.
Take me from the depths of hell,
show me thy Kingdom, Israel.
(repeat)

TAKE ME

© Phil Rosser

Verse 1 Take me, and mould me by Your love.
Take this heart and craft a path
for righteousness and mercy.
Take me, with guidance from above.
Take this mind and crucify all jealousy and envy.

Chorus As holy children of You,
we now pray we'll grow in Your grace and truth.
Strip from our lives all foolish pride,
Father and Son with us abide,
and as Your children Your name we glorify.

Verse 2 Take me, my broken pieces heal.
Take this love and cleanse me of
all other loves which I conceal.
Take me and everything I am.
Take this child that You've compiled
and make me like the Son of Man.

Chorus As holy children of You,
we now pray we'll grow in Your grace and truth.
Strip from our lives all foolish pride,
Father and Son with us abide,
and as Your children Your name we glorify.

I CAN DO ALL THINGS (THROUGH HIM)

© James DiLiberto

Verse 1 Day after day I seek for water
Night after night I'm just thankful, for shelter
Morning by morning I open my eyes
with a hope that I can still see

Verse 2 Ecclesias are dying all around me
Young ones just don't want to live in this country
I work just to live and keep food on my plate
Can you see this smiling face?

Chorus I have nothing yet I possess everything
I will not be anxious for anything
but by prayer and supplication,
I will make my requests known to God

Verse 3 I have peace beyond your understanding.
My heart and mind always guarded by Christ.
I've learned to be content with every circumstance I'm in.
I can do all things through Him.

Bridge I can do all things, through Him!
(Repeat)

Verse 4 My God will supply every need of my life
according to the riches of the glory of Christ
Hardships, afflictions, many sleepless nights
I'm hungry, thirsty, in danger of my life

As dying, but behold I'm alive
As punished, yet never killed
As sorrowing and yet always rejoicing
As poor, but I make many rich

Chorus Having nothing yet I offer them everything
They should never be anxious for anything
The Kingdom of God I first seek
so all that I need, will be added unto me!

I have nothing yet I possess everything
I will not be anxious for anything
but by prayer and supplication,
I will make my requests known to God

Bridge I can do all things, through Him!
(Repeat 3x)

Outro Day after day I seek for water

ARISE! SHINE!

© James DiLiberto

Verse 1 Arise! Shine! For your light has come
The glory of the LORD has risen upon you
His glory will be seen upon you
Lift up your eyes all around and see
They're gathering together and coming to you, Ooo
Your sons and your daughters too

Nations will be coming to your light
And kings to the brightness of your rising
They will see you and be radiant
and your heart will be glad and you will dance!

Verse 2 The abundance of the sea will be turned to you
the riches of the earth will belong to you, Ooo
Many camels will be coming to you
There will be no more violence within your land
Devastation and destruction have come to an end
and your walls are called Salvation
and your gates, they are called Praise!

They will call you the City of the Lord,
Zion of the Holy One, God of Jacob!
Holy One of Israel, it is He that has made you beautiful!

Bridge They will come up to my altar and be accepted!
I will glorify the house of my glory!
I will surely make you majestic forever and a joy
from age to age and you will know I am your Lord and Saviour!

Verse 3 Nations will be bowing at your feet,
while I beautify the place of my sanctuary...
God will be our everlasting light
The LORD will be our glory and will end all mourning!

Outro Rise and shine and give God the glory, glory!
So arise!

WE WAIT

© Phil Rosser

- Verse 1** The earth is the LORD's and everything in it,
the world and the people who are dwelling here
If the earth is the LORD's and the people are His,
then where is His honour and where is His fear?
- Verse 2** The heavens declare the glory of God
Expanses proclaim His wonders and signs
No stars in our skies in this city of lights
then whose is the glory in this city we'll find?
- Chorus** We're waiting for the future metropolis
Built on the glory that God has revealed to us
- Verse 3** This tent is the LORD's and a place for His dwelling,
a building of stones that are precious and holy
Have we built on His plan? through a storm will we stand?
Is this a tent that is pitched for His glory?
- Verse 4** By faith we are looking to the land of the promise,
to beautiful Zion, this city will pass us
No peace in this place, in this land that lacks faith
So we will wait for a city that lasts us
- Chorus** We're waiting for the future metropolis
Built on the glory that God has revealed to us
- Bridge** We see Your design and Your hand in our lives.
As we're waiting for Zion our faith is not blind,
built on the glory through the Son you revealed to us.
- Outro** And we wait, and we wait,
and we wait for his return
And we wait, and we wait,
and we wait for his return
to Your earth

REACH FOR YOU

© James DiLiberto

Verse 1 Sometimes it is beyond my sight
and inside I feel like I'm dying.
I just keep waiting for You
to come back, to come back.
Come back.

Verse 2 I'm crawling out but falling deeper as I leave this place
I thought that I would never be back here again
I try to go but then I fall.
I've got my back up against a wall
in the place where I began.
Can someone help me move away from here?

Chorus I know You use this time to get me to where I need to be.
For You to build my faith required time away from me.
I guess all I can do is pray now.

Verse 3 There's nothing here upon the earth that I desire beside You.
My heart and flesh may fail but God I'll reach for You.
I'll keep on pressing for the goal, with You I'll never walk alone.
Forget what lies behind, and in Your strength
I'll move away from here.

Chorus I know You use this time to get me to where I need to be
I want be closer to You, I need some time away from me
And all I can do is pray now
