

WINGS OF DAWN

© Aletheia Burney

Verse 1 Oh LORD You've searched and known me.
Oh LORD You know my thoughts.
You know my actions and my words.
You know each day I live.

Chorus If I fly away on the wings of dawn,
To the sky or the depths of the sea,
You will be right there, You will show the way,
Your hand will hold me safe.

Verse 2 I will praise You LORD for You are great.
You turn the darkness to light.
Oh search my heart and lead me to
The everlasting way.

Chorus If I fly away on the wings of dawn,
To the sky or the depths of the sea,
You will be right there, You will show the way,
Your hand will hold me safe.
[Repeat]

YOUR TREASURE

© Aletheia Burney

Verse 1 Take a look at the birds they do not sow they do not reap
But your Father He cares for them.
How much more then will He care for you His dear children?
And if worrying won't add an hour to your life,
Then leave it all in the Father's hands.

Chorus Make my heart into a purse
That doesn't wear out
So I can fill it with Your treasure.
For Your words will never fail
They're as sure as can be
I will trust in You forever.
Your love is unsearchable
Your love indescribable.

Verse 2 If you consider the flowers they do not work they do not spin
But this I'm telling you -
They are better dressed than Solomon in his glory.
And if God He clothes the flowers, that are here then fade away,
How much more then will He clothe you of little faith!

Chorus Make my heart into a purse
That doesn't wear out
So I can fill it with Your treasure.
For Your words will never fail
They're as sure as can be
I will trust in You forever.
Your love is unsearchable
Your love indescribable.

A NEW SONG

© Luke Jurevicius

Verse 1 I waited for my God.
I waited and He heard my cry.
He lifted me up out of the pit
And out of the miry clay.
He set my feet upon the largest rock,
Making all my steps secure.
He put a new song in my mouth -
A song of praises to the LORD;
Unto our God.

Verse 2 Many will see and hear
And many will trust in You.
Happy is the one who trusts the LORD
And turns their face from pride.
Wondrous are Your deeds and thoughts to us.
Nothing compares to you.
He put a new song in my mouth,
A song of praises to the LORD;
Unto our God

Refrain A new song [repeat 6x]
To our God.

Ending I waited for my God.
I waited and heard my cry.

PSALM 20

© Aletheia Burney, Timon Burney

Verse 1 I pray the Lord will listen
When you are in distress.
I pray the God of Jacob keep you safe.
May He send you help from the sanctuary
And come to your rescue from Mount Zion.

May He remember your gifts and be pleased with what you bring
And in all of your ways may God be with you.

Chorus Then you will win the victory and we will shout for joy,
Lifting our banners in the name of our God.
Give the king the victory!
Lord answer our prayers.
Lord answer our prayers.

Verse 2 I am certain Lord that You'll save those who love You.
Save them with the strength of Your hand.
Some people put their trust in the strength of their own might
But we will put our trust in the Lord.

And those that trust in themselves will be brought to their knees
But we will rise up and stand firm unto the end.

Chorus Then you will win the victory and we will shout for joy,
Lifting our banners in the name of our God.
Give the king the victory!
Lord answer our prayers.
Lord answer our prayers.
[Repeat]

WILDERNESS

© Luke Jurevicius

- Verse 1** All the trees are gone.
The sky is grey and it's cold outside.
God's wilderness sings no lullaby.
It cries because it's gone.
Fading away.
Where are you now?
We need you now.
- Verse 2** There is no hope
Just pain and fear
In a world at war
Stained with blood and tears.
We need you now.
Our saviour now.
Come quickly now.
- Verse 3** Look in the sky above
And you'll see the stars are tiny specks in the night.
These are you and I
Who burn in darkness but offer this world light.
Where are you now?
Creation cries out aloud
Where are you now?
- Bridge** We need you, our saviour now.
O King of Kings and Lord of Lords.
How long how far, our Morning Star?
O son of David come quickly now.
- Ending** And yet we know there will come a time
When war shall be no more, no more.
All life on the earth and the spirits in the sky
Will groan no more, no longer cry.
And a stream of life giving water will break
From the parched barren land, from the depths of the deep.
- And the tears from the eye of the unloved child
Will roll no more, hunger will subside.
O come back again
O come back again
Come again, again, again
[repeat]

MORNING

© Aletheia Burney

Verse 1 In the morning LORD You hear my voice,
You hear my prayer in the morning.
In the morning LORD I lay down my hopes and my dreams at Your feet
And I wait in expectation.

Verse 2 My ears had heard but now my eyes have seen your power.
You are the God the one who holds my breath safe in your hands.
All my ways belong to You.

LOVE NEVER FAILS

© Luke Jurevicius

Verse 1 Love is patient and kind
And love will envy not.
Love's not rash, is not puffed up.
Love is well behaved at all times.

Verse 2 Love never worships herself.
Love is self-controlled.
Love thinks no evil, it loves truth.
Bears, believes, hopes, endures all things.

Chorus Love will never fail.
Love will never cease.
Faith, hope and love are unity,
But the greatest of all gifts is love.

Verse 3 Once we were children but now we walk
In Jesus' steps his ways his thoughts.
Father in heaven please help us to see
Your son in us so we can be
Loving servants of faith, hope and love.
Wise as serpents but harmless as doves.

Chorus O Love will never fail.
Love will never cease.
Faith, hope and love are unity,
But the greatest of all gifts is love.
[repeat]

YOU

© Luke Jurevicius, Timon Burney

Verse 1 Who can hide from You
And who would want to?
We hurt, we smile,
We live and we die.
We laugh, we cry
We face so many trials,
But You have known from the start
The beginning and the last.

Chorus You are righteous.
Holy, just and true are all Your ways.
And You are holy.
Our one desire is to lift Your name on high.

Verse 2 Your beloved son,
Jesus Your only one.
He hurt, he cried,
He loved and sympathised.
He gave, he died,
For our sake he was crucified.
Now we have hope in this life -
In Jesus eternal life.

Chorus You are righteous.
Holy, just and true are all Your ways.
And You are holy.
Our one desire is to lift Your name on high.

REDEEMER

© Aletheia Burney

Verse 1 No song is enough,
 No music is too beautiful.
 No words can express
 The love that I feel.

Chorus And I know that my redeemer lives
 And that He shall stand
 At the latter day upon the earth,
 At the latter day upon the earth.

Verse 2 For God so loved the world
 He gave His only Son
 That he should die
 For my sins.

Chorus And I know that my redeemer lives
 And that He shall stand
 At the latter day upon the earth,
 At the latter day upon the earth.

WHY

© Aletheia Burney

Verse 1 Why are there so many questions,
 That all begin with why?
 Why is there never answer?
 Why are there clouds in the sky?

Chorus But when I pray to God He lifts me up
 And I look to the light of day
 Where the sun will rise from the dark of night
 Chasing the darkness away.

Verse 2 And why is my heart so heavy?
 Why are there tears in my eyes?
 Is this another ending?
 Or is this a beginning in disguise?

Chorus But when I pray to God He lifts me up
 And I look to the light of day
 Where the sun will rise from the dark of night
 Chasing the darkness away.
 Chasing the darkness away.

LORD HEAR ME

© Luke Jurevicius

Verse 1 God I know it's late.
You're listening all the time to these excuses of mine.
O Lord You know my state.
I know I need You even more now than ever before .
I know it's true, You heard my plea, I'm on my knees and I'm crying to You -
Lord hear me, hear me
Hear me, O hear me!

Verse 2 As far as the east is from the west,
Our God has removed our sins from us.
He knows our frame and pities us
He remembers we're dust.
The steadfast love of the Lord is sure,
From age to age it will endure
To the ones who will fear His name
And remember His way.

Ending Bless the Lord O my soul!
Praise the Lord O my soul!
Bless the Lord O my soul!
Praise the Lord O my soul!
Amen.

EVENING PRAYER

© *Aletheia Burney*

- Verse 1** Lord keep us safe this night,
 Secure from all our fears.
 May angels guard us while we sleep
 Till morning light appears.
- Verse 2** And with return of day,
 When we our path pursue,
 Be thou our counsellor and guide
 In all we say and do.
- Verse 3** And when our work is o'er
 And all our sorrows past,
 Grant lord that we now gathered here
 May see thy face at last.
