

The LORD is the Lamp (Living Waters)

Capo 1

Chorus:

G D A D
Living waters, we have come, we have come.
Wells of life, oh we have come, we have come.
From ev'ry nation and from ev'ry tongue (Oh we have...)
Come here to praise and thank you, oh we have come.

D G D
The LORD is the lamp and light of my salvation:
A D
of whom shall I be afraid?

D G D
His word will shine a path in times of tribulation:
A D
of whom shall I be afraid?

G D A D
Though the dread of the dark in times of desperation
G D A
try to doubt that he will not stay;
D G D
But the LORD will be the lamp and light of my salvation
A D
of whom shall I be afraid?

Chorus

The LORD is the strength and might of my foundation
on rock that no man has laid
For His love is always sure in ev'ry situation
on rock that no man has laid

Though the fear of the flood in times of trepidation
try to shake the words that He gave;
But the LORD will be the strength and might of my foundation
on rock that no man has laid
